From the M3. Exit at Junction 4, and then follow the signs for Frimley/Camberley. At the exit roundabout take the second exit, then filter to the left following signs for Frimley (written in road). Join the Frimley by-pass taking the middle lane. At the roundabout go straight across and the hospital is the first exit on your left at the next roundabout.

From Guildford and Farnham via the A331. Take the third slip road off the A331 for Frimley, then turn left at the top of this road and get in the right hand lane. At the roundabout take the third exit and at the next roundabout go straight across. The hospital is the first exit on your left at the next roundabout.

Access to Frimley Park is particularly difficult between 10.00 and 11.00 am and 2.00 and 3.00 pm. Visitors are asked to bear this in mind, and allow plenty of time to find car park space.

Parking

There are parking facilities for patients at the front of the hospital, although demand is high between 2pm and 3pm. Charges apply, as follows:

Up to 15 minutes (**Free**), Up to 2 hours (**£2.00**), Up to 3 hours (**£3.50**), Up to 4 hours (**£4.00**), Up to 5 hours (**£5.00**), Over 5 hours (**£6.00**) and a 7 day pass at **£12.00** and can be purchased from the 'pay on foot' parking machines.

The income raised is used to support the hospital.

There are parking bays in close proximity to the hospital for the disabled. Patients may be taken to and collected from the main entrance but cars cannot wait in areas where there are double yellow lines or 'No parking' signs. Road space must be kept clear for ambulances and other emergency traffic.
