Weston Lane, SO19 9GH
Who Might I See?

Our Paediatric Audiology team is managed by **Hayley** who is a Clinical Scientist in Audiology.
Our two Clinical Scientists in Audiology are:

Christina

Lisa
Our two Audiologists are:

Michelle

Kirsty
Our Audiometricians (helpers) are:

Katie

Kim
Our Paediatric Administration Team Lead is:

Maggie
When you come in to the building we need to take yours and your grown up’s temperature and use some gel on your hands.
I am going to take a quick peek inside your ear with my special torch.
We are going to take a picture of your ear.
We are going to play some games depending on your age.
Who is making a noise? Is it Penguin, Pig, Cat or a Dog or maybe its Nellie the Elephant?
When you hear the whistle jump
the man into the boat
When you hear the whistle press the button!
Listen carefully
Thank-you for coming to see us today. Your appointment is over and you can go home with your grown up
